

## ORG. Trade Procedures Doesn't Get Any Simpler

---

- 1) Non Registered Peruse the following site <http://www.talkwithus.com/Commodities.html>. On this web page, G.S.O. WareHouse P.O.P commodities that are available will be visible. Select commodity picture icon or word tab. If the commodity icon or tab opens, the commodity is available. If not, then the commodity is not available however you can check back in 24 to 48 hours. When the commodity is available the site will provide you with price based on FOB, (CIF pricing is based on port provided information) specifications, packaging, proof of product, and origin. If the commodity sought is not traded by G.S.O WareHouse, you can request a commodity search.
- 2) If the provided information meets your approval and you'd like to process a trade request, provide the following information per the requested format to our trade desk at [org.gsowarehouse@talkwithus.com](mailto:org.gsowarehouse@talkwithus.com).
  - a. Trade Requestor Name (Agents/Mandates: Provide Buyers Information) No Buyer Info Trade Request will be discarded
  - b. Address
  - c. Contact Number
  - d. Commodity
  - e. Quantity Sought
  - f. Trade type single (Spot Buy), multiple (month by month), annual (12 month or more agreement) CIF (request requires port of destination)

### **Special Non-Negotiable Notes**

- 1) Agents must register with ORG. G.S.O. WareHouse to get an OPA **Official Price Alert**  
Obtain registration form from:  
<http://www.talkwithus.com/Warehouse Documents/GrvC009.docx>
- 2) Mandates must provide documentation authorizing them on behalf of clients  
(Authorized mandates need not register)
- 3) **Please Do Not Provide Buyers Terms in Your Request Not Accepted will be discarded**
- 4) Please Do Not Provide any Bank Account Information (NOT Necessary)
- 3) When your Trade Request has been received, it will be assigned to a GSO WareHouse Officer. They will provide you an OPA **Official Price Alert**. The price Alert will have the GSO stamp and all information from the site. The OPAs valid for 72 hours.
- 4) To accept the official price, send a request for a configured ORG. G.S.O. WareHouse Commodity Trade Agreement. The CTA sets the terms for single & annual trade positions. (View a sample CTA agreement at <http://www.talkwithus.com/Commodities.html>). All financial and shipping conditions are set within the bank to bank process detailed in the CTA financial section.
